Inclusive Intelligence, How to be a Role Model for Diversity and Inclusion in the Workplace

Inclusive Intelligence is the meeting point of Emotional Intelligence and Inclusive Leadership. Its methodology is based on a series of interviews and years of detailed research conducted with team leaders and managers in a variety of global companies and the Inclusive Intelligence book. This session will equip the participants with the skills and tools of the Inclusive Intelligence pillars: Self-awareness, empathy, engagement, cultural wisdom, accountability and commitment. It also demonstrates real examples on how to embed inclusion on your daily agenda and become inclusive role models. This session also includes the speakers own stories and experiences working with over 100+ global companies.

Diversity and Inclusion for Millennials

"You were incredible! What an opportunity for our university Dublin City University students in Riyadh to hear about female entrepreneurship, inclusivity and Diversity. Very inspirational. Thank you! They LOVED it! They already are setting up a college society for women in tech! Reading my student portfolios and they all are writing about you!"

**Assistant Professor Roisin Lyons,
Dublin City University**
